

Daxx Chandler Surratt Boone

December 25, 1996 - March 17, 2022

Daxx Chandler Boone- My brother was born Christmas day 1996, and passed away on March 17, 2022. He's a bright beautiful soul who loved swimming, football, music and playing games with his friends. He's so funny he had the best laughter it would brighten a room. We spent so much time outside playing being kids, I thought we had our whole lives together. You're gone too soon brother.

I know that no matter what you will always be with me. When life separates us I'll know it is only your soul saying goodbye to your body, but your spirit will be with me always. When I see a bird chirping on a nearby branch I will know it is you singing to me. When a butterfly brushes gently by me so care freely I will know it is you assuring me you are free from pain. When the gentle fragrance of a flower catches my attention, I will know it is you reminding me to appreciate the simple things in life. When the sun shining through my window awakens me I will feel the warmth of your love. When I hear the rain pitter patter against my window sill I will hear your words of wisdom and will remember what you taught me so well: that without rain trees cannot grow, without rain flowers cannot bloom, without life's challenges I cannot grow strong. When I look out to the sea I will think of your endless love for your family. When I think of mountains, their majesty and magnificence I will think of your courage for your country. No matter where I am your spirit will be beside me. For I know that no matter what, you will always be with me.

“ Daxx Chandler Boone was born on Christmas Day 1996. He was the greatest Christmas gift I ever received. My son was a special soul, he had a pure heart. We all had a exceptional bond Daxx, Kyla, DJ, and I. Without him we are lost. He was a protector and would never allow anyone even get close enough to hurt us. I am never going to be the same. I am sorry we first thought you had done this intentionally I should have known better. Deep down I did know you would have never left me like that. I am going to do the best I can to keep going but I will be calling on your strength from time to time. I know you'll understand. You are my precious baby, my ride or die. You know I don't do good with goodbye so I will see you soon. Love you
