“ Harvey was truly the salt of the earth, always there to lend a hand whenever he was needed, which was more times than we can count. The memories we share of family gatherings, vacations, holidays and birthday celebrations, will live forever in our hearts. We will miss your wise words and funny fish tales, your common sense ways and generous spirit, but most of all the quiet comfort and strength you brought to our family at times that we needed it most. First and foremost, you were a devoted husband, father, and "Boo-Boo", and our hearts go out to Maria, Patrick, Carla and their families. We all love you so much, Harvey. We will miss you forever, and you will never be forgotten. Amy and Bruce

“ I am sorry to hear about your loss Maria, I worked with Harvey for 30 years at TTX, When Harvey retired I was picked to fill his role in Quality control. Harvey told me the story of going fishing at Fort George inlet and getting lost in the fog and sleeping in his boat because he could not find the boat ramp. God Bless you Harvey and the Heller family.. Tim Andrews..
