“ Karen was my close friend for over 60 Years. She loved to read and loved to watch Jeopardy (and new most of the answers). She always tried to stay positive and loved people.
I will miss her dearly!

“ I'm so sorry for your loss Diane. Karen was my cousin. We lost contact with her over the last 2 years, after many attempts to reach her. I loved visiting her and MorMor on the weekends while I was in college in Orlando in the 90s and after I moved to Fernandina Beach. She was very fond of you.

“ Diane, so sorry for your loss. Always seemed like you were more like sisters than friends. She always talked about you. We would always take her and MorMor to the zoo when we visited. We had a great trip to Springfield, Mass. one year when they came to visit us in NY. We both had a great time researching our ancestors. Even though we had trouble connecting, she will be missed.
