“ This is a my Aunt Lenora when she came to Washington to visit in 1994. She was in her mid seventies, but hiked to Panorama Point on Mt Rainier with my brother Tom and her 3 great nieces. I will forever be grateful for her kindness and prayers for our family as we lost our mother, Mamie, her sister, so young. She was truly an amazing, energetic and steadfast woman of God, and I look forward to seeing her with her brother and sister and sons in heaven.

“ One of my favorite memories of Aunt Lenora was maybe in 1994 or thereabout. She loved San Francisco and had a special affinity to the Golden Gate Bridge. We got to spend a couple days touring China Town, riding the cable car, walking across the Golden Gate Bridge & eating enormous hot fudge sundaes at the Ghirardelli chocolate factory. She is & always was an amazing woman so full of love and life packed into that short stature. She could out walk me all day and visit in the wee hours of the night long after my eye lids were heavy. And oh how she loved Jesus! I will be forever grateful for her bold faith and kind words to me who lost my mama young. I love you so much Aunt Tootsie!! I rejoice to know you have been welcomed into glory as much as you will be missed. Laurie Miller

“ James 5:6 The effectual fervent prayer of a righteous person avails much. Always remember the stamp “Trust God” on the back of Aunt Lenora’s letters she faithfully sent.
